

CARWEN 'CAT' JOHNSON 1966 – 2011

None of you should be surprised to know that I am following quite explicit instructions left by Cat when she arranged everything back at the start of the year.

In keeping with Cat's Taoist beliefs, we will be holding a non-denominational memorial service followed by the burial at Olney Green Burial Ground on Friday 7th October at 2pm.

Anyone and everyone who knew her virtually or in the real world is invited but only on the understanding that you observe a smart casual dress code as this is a celebration of her life and we are not there to mourn. Please remember that Cat hated Yellow!

After the service there will be sandwiches and drinks served at The Carriage House in Higham Ferrers where there will be a book of remembrance and a selection of Cat's photography on display.

Cat asked that there be no floral tributes as a donation to Breast Cancer Care directly or through Abbott & Sons would be preferable.

So that we are able to cater for those joining us, please contact me to confirm if you will be attending the memorial service and if you will be joining family and friends at The Carriage House afterwards.

Address details are below but if you have any travel issues then please contact me and I should be able to help with organising transport to/from Olney or local stations. Likewise, if you wish to stay on Friday night, I can supply hotel details in the local area.

All your messages in remembrance of Cat received by email, on various different social media websites, forums and photography websites have been of great comfort to me and Nathaniel and we are content in the knowledge that Cat touched so many lives and will live on in those memories.

James Brunner.
